

Media Release

For immediate release

Date: 13/10/2005

The Guild recognises the hardships and emotional distress caused as a result of the recent natural disasters and increasing prevalence of terrorism in society.

The Guild is aware that the student community has been understandably troubled by these events, especially considering the number of international students at ECU who are from affected areas.

We sympathise with those who have been directly or indirectly affected by such events.

Our Education & Welfare office is open to offer relevant information and support where possible. Our officers are contactable on:

Rosemarie Dale – 6304 6821 (Perth Metropolitan area)

Dianne Webster – 9780 7786 (Bunbury)

Umile Gwakuba
