

# VOX OFFICIO

Fortnightly Newsletter into the Guild, Clubs & Societies

## What is this Tosh ?

This is the new inter-club magazine "Vox Officio". It is designed to be short and relevant, giving you the news without taking your time. It will be based on what's going on in the Guild and other CSC's (Clubs). The important parts it will contain are when the compulsory CSA meetings are held and where, plus any club relevant info we can scrounge. This publication will be fortnightly - sent on Wednesdays online. Feel free to present it to your board and I hope you all bloody well read it.

## Extra Benefits

The Guild has now opened a host of new 100% FREE benefits to Affiliated Clubs including the activist space, lecture & tutorial booking campus wide and 1/2 page G-Spot publication space for advertisement, plus more. These will be outlined in full next CSA Meeting. Enjoy, and make use of this free flotsam and jetsam soon.

## New Penalties

New penalties have been added for CSA meeting and funding policy breaches in terms of sponsorship reduction. These will be outlined in the next meeting, but don't worry we are going to have an Amnesty on this for some time until it takes effect. These penalties are simple, easy to avoid but quite harsh - be mindful.

## Extinct Websites

Many clubs have old data/info, broken links and missing sections in their breakdown on the Guild Website...please review these to maximize your new member potential - simply create a brief and email it to the Guild outlining what changes to make and where. We can help you have it tip-top and fresh as botchalism gaining you more professional and positive online interaction.

## Newly Affiliated Clubs

We have a smattering of new clubs recently affiliated, meet them all at CSA meetings and get interclub networking. A good example would be rather than hiring a DJ for an event - hit up the Beat Collective. This money saved can go on other important components of that all important party you are planning.

The next CSA (Clubs, Societies and Activities) meeting will depend on your feedback. Email me [csa@ecuguilid.org.au](mailto:csa@ecuguilid.org.au) to have your say and please make it soon.

This meeting will not carry penalties for non-attendance nor will the consecutive one...but remember they will soon.
